Hello,

I would appreciate historical information pertaining to three months of fares.

In January 2012 what was the monthly pass for the E designation -- Arlington Heights to Ogilvie

In January 2013 what was the monthly pass for the E designation -- Arlington Heights to Ogilvie

In February 2013 what was the monthly pass for the E designation -- Arlington Heights to Ogilvie

Thank for this fare information. Your early response would be much appreciated.
