To whom it may concern,

I have two FOIA request questions.

- 1) What was the exact date that METRA was incorporated?
- 2) Why is METRA allowed to permit it's passengers to drink alcohol on their trains, in light of the fact that 610 ILCS 90/1 prohibits consumption of intoxicating liquor on trains.

610 ILCS 90/1 [Penalty for drinking of intoxicating liquor or being intoxicated]

Any person who shall drink any intoxicating liquor, or who shall be intoxicated, in or upon any railroad, smoking car, parlor car, day coach, interurban car or caboose car, in use for the transportation of passengers, or in or about any railroad station or platform, shall be guilty of a Class C misdemeanor.
