**Issue Description:**

Rail Line ri Message I am requesting a detailed list of the times the Metra train arrived at the 95thBeverly station on the date of May 112019 please email me [atjajamison1210@gmail.com](mailto:atjajamison1210@gmail.com) or call 7737495023 if any further information is needed. The information is requested due to a Metra officers untruthfulness. I was told I went through train lights when there was no lights because there was never a train present. I have a upcoming court date with trial scheduled on 8-28-19. Thank you Date 2019-05-11 Time 1 00 PM
